## Message from the President & CEO (SSGI)

We realize that the world we live in is changing at an unprecedented rate. It becomes important for us to introspect and question the age-old traditional methods.

Siva Sivani Institute of Management (SSIM), Hyderabad; the first AICTE approved private B - School in Hyderabad imparting quality management education since 1992 has been constantly monitoring the changing trends and was again one of the pioneers to visualize this need of the hour by virtue of having highly experienced faculty members with rich industry and academic backgrounds.

Every course structure at SSIM has been designed to ensure that Industry requirements are met by emphasizing equal importance to conceptual knowledge and soft skills. Special initiatives are taken to provide customized training modules for Personality Development to ensure student (Transform themselves) as Management Professionals. An immense corporate exposure is offered to students through series of Guest Lectures, Seminars and Workshops on emerging areas, Panel discussions on Contemporary topics and Leadership series where eminent Corporate Functionaries directly interact with the students on Campus.

We take pride in sending out the best quality management graduates from the institute each year to the corporate world who are duly trained to help the organizations reach great heights.

I on behalf of SSIM Family welcome you to explore the world of SSIM, to unleash your latent potential under the able guidance of passionate faculty members and interactions with diverse peers.

*S. Aarathy*

President and Chief Executive

S.P. Sampathy's Siva Sivani Group of Institutions

## VISION

"To be a Premier Management Institute significantly contributing to Corporate World and Society"

## MISSION

- ▶ To disseminate management knowledge through focused educational programmes
- ▶ To contribute to management knowledge through extension and research activities
- ▶ To develop responsible management graduates through ethics-based education
- ▶ To promote the culture of critical, innovative thinking and Social entrepreneurship

## Message from the Vice President & Dy. CEO (SSGI)

Greetings from SSIM, a dynamic, progressive and ever expanding institution, relentlessly surging ahead on our chosen path, excelling in providing quality education. SSIM has been the hall mark and an integral part of the more than six decades old Siva Sivani Group for three decades.

In the quest of its dream, SSIM has been successful in forging ties in domestic and global arenas at individual and institutional levels. Faculty exchanges, Student exchanges, Joint Certification Programmes, Research, Training and Allied activities at these levels are now routine at SSIM.

In order to help our students seeking additional qualifications at institutions outside the country become easier, agreements of credit transfers, joint certification courses, acquiring foreign degrees and thereby creating opportunities of seeking employment in Europe, America and the rest of the globe are already in place.

Arrangements for accomplished personalities both from the industry and academia in Europe and America, in addition to people with similar calibre in India, to handle courses in various programmes, thereby, enabling students of SSIM, to have ample global exposure at the campus itself have been made. Over a period of time, SSIM acquired many awards and recognitions. Few notable are Best Education brand 2022 from Economic Times, CSR awarded TOP Eminent B-School of Super Excellence 2022 etc. SSIM is NAAC accredited and PGDM Program is NBA accredited with AIU certification.

Goals are achieved at a rapid pace if more and more like minded people come together. With many initiatives undertaken and hundreds of like minded people being added each year to the already vast Siva Sivani family, we have moved that much closer to achieving our goals.

I invite you to become an integral part of this saga.

## Message from the Director

Dear Management Aspirants,

Siva Sivani Institute of Management (SSIM), Hyderabad is one of the leading business schools in the country offering Post Graduation Programs in Business Management since 1992. The programs are carefully designed in accordance with industry requirements and are offered by prominent professors from industry as well as the academic fraternity.

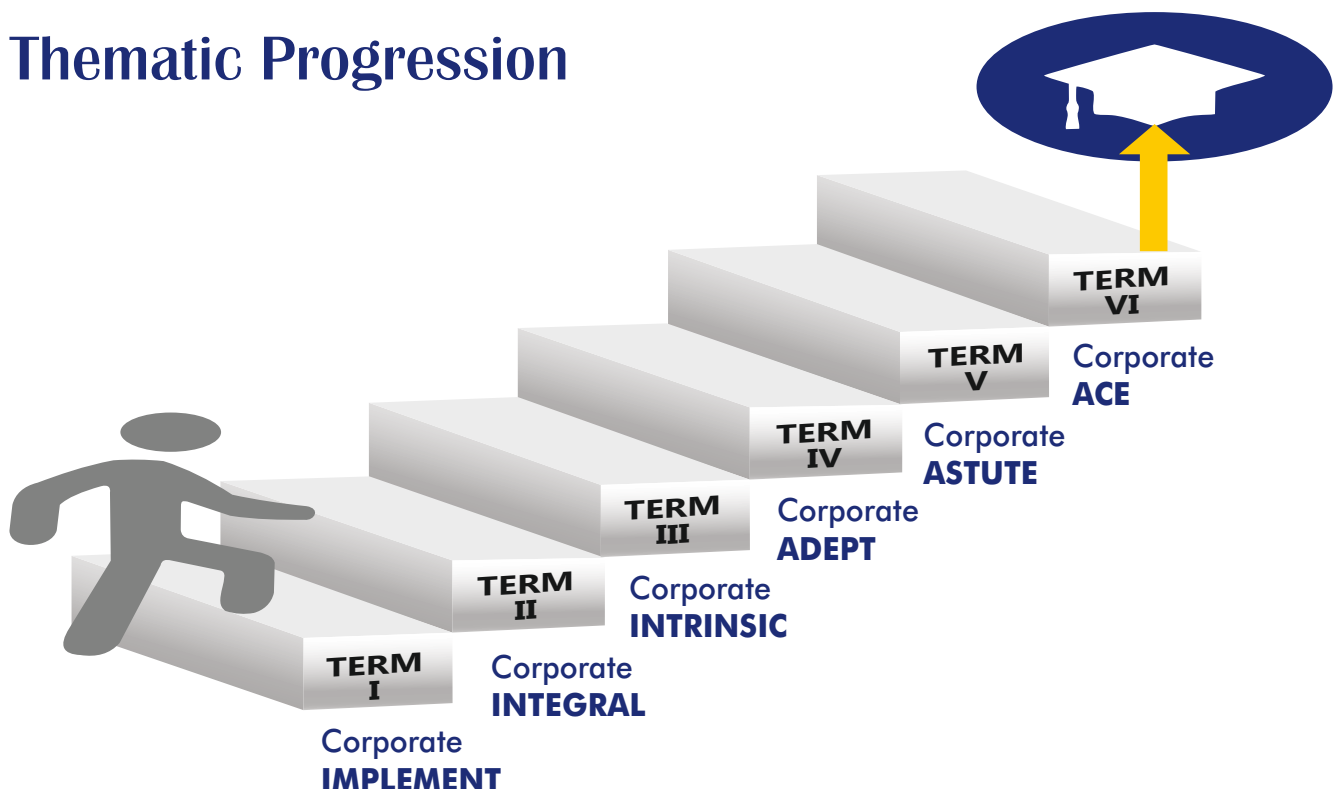

SSIM is committed to shaping students' careers in a way that they can be ready to take on entrepreneurial managerial roles. PGDM at SSIM, is an expedition which helps an individual get acquainted with business expertise and business functionalities.

We at SSIM emphasize on Co-curricular activities of the student which include Personality Development, Club Activities, Language Skills, Book Review Sessions and so on. The goals behind these are to develop a holistic personality, effective enough to contribute to the organization as well as to the company. As we work to uncover the talent in each student, we look forward to finding creative ways to engage and empower future leaders. We give them opportunities to dream and platforms to excel.

I invite you to be a part of SSIM legacy for the 32 Batch of PGDM - Triple Specialization (TPS), for the 17th Batch of PGDM - Banking, Insurance and Financial Services (BIFS) and for the 4th Batch of PGDM - Business Analytics (BA).

*Dr. S. V. Ramana Rao,*
